

Hello, welcome. The following is some important information:

Confidentiality

Use of Wisdom 360 services and the content of sessions will be considered confidential. However, there are times when usual confidentiality may not apply:

- suspected or known neglect or abuse of children or dependent adults
- if someone may be a danger to themselves or others, unable to care for their basic needs, or in need of emergency medical care
- court subpoenas

Services

My services are intended to support the expression of your highest intended self. The modalities I offer work in harmony with other healing modalities, including conventional medicine and traditional counseling.

We may discuss the major stresses in your life, your belief system, health history and other issues, which have an influence on your emotional, physical, mental and spiritual well-being. Although you may be aware of my work, training, and current licensing as a clinical social worker, services provided through Wisdom 360 are completely separate from my licensing as a clinical social worker.

Acting as a committed listener, I may offer observations of blockages in your energy, help you release those blockages, and offer ways you can support your well-being. When sharing information, I will distinguish what is my observation and what it is from angels or other spiritual guidance.

Fees

Fees for individual services are \$65 to \$150, based on the service provided and each person's ability to pay. Fees for groups, classes and events are as announced for each.

- Sessions for angel consultations and journeying services are usually 50-60 minutes.
- Energy healing sessions range from 60-90 minutes. An initial energy healing session is often a bit longer.

Fees for services are expected at the time of service. In the instance of long-distance healing, payments may be sent to the address above or delivered via PayPal as available. Checks, cash and PayPal accepted.

If you must cancel or miss an appointment with less than **72-hours notice**, and your appointment time cannot be filled with another client, there will be a minimum-fee charge.

And . . .

Remember, each person is responsible for their own journey. If certain ideas or information do not seem to fit for you or help towards health and healing, lay them aside. Many times, Divine messages and energies have layers of meaning, and they make sense to us only at a later time. Remember, Divine guidance can be literal or symbolic.
